

Step by Step How to Get Involved

I am excited that you are interested in joining our team! It takes lots of volunteers to run our His Kids ministries and I am eager to see what role God intends for you to play in this ministry.

To get you started:

1. I'd love to meet with you and hear your story. Give me a call and we'll set up a time to meet.
2. If you would like, we can make arrangements for you to come and observe the area you are interested in so you can get a feel for how His Kids works.
3. Once we've met and discussed what role you would like to play on our His Kids team. You will be given a His Kids Application package. All volunteers working with children at North Shore Alliance Church must complete an application and Criminal record check.

Looking forward to talking to you!

Volunteering with Kids at North Shore Alliance Church

What His Kids is all about...

His Kids ministries encompasses little ones from birth all the way to grade four. Whether we are showing Christ's love by rocking a newborn to sleep in the nursery or chatting with a kid over a slurpee, **our mission is to love kids like crazy, to introduce them to Jesus as their personal Lord and Savior and to help them grow as worshippers and world-changers.**

Children's Ministry Volunteers

On Sunday Mornings | 9:00 & 11:00

Nursery Leaders serve in our nursery with 0-2yr olds. These leaders provide a safe and loving space for parents to leave their little ones. Rotation: once a month.

Preschool Leaders serve in our preschool with 3-5yr olds. These leaders provide a safe and fun environment for our preschoolers to play and they also introduce them to simple age appropriate truths through stories and song. Rotation: once a month.

Greeters serve as a welcoming first point of contact for families new to our church. They also ensure that kids are safely signed into their classrooms for His Kids each Sunday. Rotation: once a month arrive 15 minutes prior to the start of the service to 15 into the service

His Kids (K-Gr4) Volunteers

On Sunday Mornings | 9:00 & 11:00

Small Group Leaders lead our age specific small groups. Their primary role is to build consistent relationships with the kids and to lead groups in the fun and creative activities provided to help their small groups apply the Biblical truths taught in the large group times each week. Rotation: weekly or one month on/off.

Large Group Teachers have the awesome opportunity to use their God given gifts to communicate Biblical truth in an age appropriate way. Teachers prepare their lesson from a curriculum and teach to their strengths – storytelling, props, audience participation visuals etc. Rotation: once a month.

Worship Leaders all must have 2 characteristics: they are worshippers and they love kids! They have the privilege of teaching children how to experience a unique communion with God in a corporate worship environment. Actions and training videos are provided for this team. Rotation: once a month.

Craft Leaders use their own unique gifts to lead our kids in creating projects that connect to the truth the kids are learning in large group. Rotation: about once a month (some prep required)
