

LETHBRIDGE

Via Lethbridge's Abide ministry continues to support families and individuals in need through both practical and spiritual support. One of the most tangible needs consistently is for help with groceries and gas, and we will often support those in need with grocery or gas gift cards. You can help support our local mission by donating towards the purchase of gifts cards.

PROJECT 101: Donation towards grocery and gas gift cards for local mission: \$25

The Lethbridge Soup kitchen provides hot breakfast, lunch and dinner to our homeless neighbours day in, day out. We love getting to volunteer our time to provide lunch once a month. There are a great deal of costs associated with keeping the soup kitchen running, and we invite you to give towards the continuing growth of the Soup Kitchen's ministry in our city.

PROJECT 102: Donation towards the ongoing ministry of the Lethbridge Soup Kitchen \$(amount you specify).

MEXICO

Casa Mephi is an orphanage in Mexicali, Mexico where house moms care for 40 Children. Our Via youth and families make an annual trip to Mexico to minister through practical building projects and loving the staff and children. Our Mexico trips have been on hold this year due to Covid-19, but we'd still love to bless Casa Mefi this Christmas season.

PROJECT 103: A meal for everyone at the orphanage. \$50.

KENYA

In Kenya we work in partnership with many amazing ministers, Pauline & Mwangi, Wilson & Alice, and a team of pastors in the Turkana. Finances are always stretched thin, and we would love to bless them with extra funds this Christmas so they can bless their families.

PROJECT 104: Donation towards blessing Kenyan ministers. \$(amount you specify).

Peace, Love, and Holy Goats began in 2018 as a ministry in Turkana, blessing some of the poorest families in the world with goats, helping to pull them out of poverty. The first fruits of the goat families are given back to the local church, and are given to another family in need, and so on! We are now seeing the fruit of a third generation of goats! You can help the impact of Peace Love, and Holy Goats to continue to grow across the Turkana region.

PROJECT 105: Buy goats for families in the Turkana region of Kenya. \$40 / goat, or family "starter pack" of 4 (3 females, 1 male) for \$160.

GENERAL DONATION

To be distributed between the projects as needed.

PROJECT 106: \$(amount you specify)
