

**Newest Efm On-Line Group Open for September start-up NOW.**

Meeting on Monday nights at 7 pm, this group is intended for folks who want to engage on-line, in the privacy of their homes (pj's optional).

We meet 36 weeks a year from September – June, taking stat holidays off, as well as breaks at Christmas and Easter. You do your reading and weekly exercises during the week, and the group meets together in a virtual 'classroom' on Monday evenings. During the week group members have access to a discussion board to explore their reading and questions.

**Efm** (*Education for Ministry*) is a sponsored program of the Diocese of New Westminster through which we study the Hebrew Scriptures (year 1), the Christian Testament (year 2), Church History (year 3) and various aspects of theology (year 4). Commitment is for one year at a time, however, entry is only via the first year curriculum.

**Efm is about adults living their faith equipped for the questions and dilemmas of the 21<sup>st</sup> century.** It is about the ministry of all the baptized, helping us to recognize where Gd has put us as agents of reconciliation and love.
