The church has different seasons throughout the year and we now move into Ordinary time. It's not really ordinary... it's more like a counting time as we move toward Lent.

Our colour is green,. A colour that is associated with growing. During this time we hear stories of Jesus, things he did, stories he told.

What do they teach us. How can we grow from them?

Come be green with us :)

Kids at Church

Are you looking for a way to involve your children at church?

We would love to have you join us!

We offer Kid's church once a month
at Cereal United Church...

The next one is January 27th

you might get a little bit wet :)

Engaging in the Conversation with God

Each week, the scripture and theme for the week ahead is put onto the Website.

Take a moment to check in and see what we're up to.

The week after service, a recording of the Reflection for that day will be added too.

How do these things inspire you, or challenge you?

Enhance your own worship experience by bringing your story to the mix.

Church goes where

God's people are :)

Wednesday Worship

Weekly visits...

Each week our Pastoral Care teams go to the folk in the Hospital, the Lodge and the Continuing Care. Another opportunity to visit with our friends :)

PAR (Pre-Authorized Remittance)

To assist us in our financial management, we are encouraging folk to offer their support to the church on an ongoing basis throughout the year.

Using the PAR program frees up space in your memory for other decisions while ensuring that your monthly offering is given to the church.

Once a month, your offering is automatically sent to the church through your bank.

Forms can be found at the Oyen United Church and can be sent to you via email... just ask!

Thanks for your support!
