

Online Ministry Team Volunteer

Role description: *To work together in developing and maintaining quality online ministry for Covenant Christian Community Church.*

Accountable To: *Online Ministry Team Leaders*

Supervisor: *Team Leader*

Role Summary: To work as a part of the online ministry team, under the leadership of the online ministry team leader, to oversee the development and maintenance of quality online ministry including providing a quality presentation of our Sunday gatherings online, advising and creating forums for online courses/groups, and serving as a resource to other ministry leaders as they engage in digital ministry.

Position Requirements:

- The ability to work as a part of a team.
- A willingness to learn the technology and skills necessary to serve as a part of this team.
- The ability to listen, collaborate, and be accountable to the rest of the team.
- A commitment to supporting the ministry and message of Covenant Christian Community Church.

Specific Responsibilities:

- Specific responsibilities will vary depending on the team members unique gifts and talents, but team members will be responsible for:
 - Researching best practices and equipment for all necessary work related to online ministry - including live online Sunday gathering, facilitating online groups, and other audio and video production work necessary for online ministry.
 - Acquiring, setting up, and maintaining all necessary equipment related to online ministry as outlined above.
 - Producing all technical aspects related to live Sunday morning services each week.
 - Participating in any necessary ongoing training related to serving in this role.

Time Commitment:

- Undetermined hours during research, acquisition, and set-up phase.
- 2-3 hours monthly as a part of the scheduled Sunday morning rotation helping facilitate online services and receiving training.
- Undetermined hours serving as a resource to other ministry leaders in the production and distribution of other online ministry.
