## INTO THE LIFE OF JESUS

teaching series this Sunday.*

MARK 9:30 - 10:16

THE GREATNESS OF JESUS

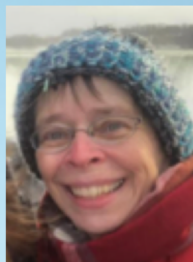

## PRAYER MATTERS

This week, we pray for Sue Priestley, who is a long-term missionary with Operation Mobilization (OM) - serving in their International Operations for 40 years! She is now serving in a leadership role with OM Canada.

We join Sue in praise for an encouraging visit to Pakistan in January. OM Pakistan's leadership team invited Sue to come and help assess how they are doing in leading and developing the people working with them. Sue says: "I was blown away by all they do! Don't believe all that the media says about Pakistan. God is at work there and He has some faithful people sharing about Jesus in many creative ways."

Sue has joined the leadership team of OM in Canada, serving as an 'associate field leader' (or national director). We pray for Sue and her teammates - James (US) and Simon (UK) - as they work on a risk assessment for the field, and develop response plans for some of the more serious risks identified. Sue says: "This is not a 'fun' project, but important to do as we have Canadians serving around the world."

OM Canada is paying fresh attention to how many more Canadians might be mobilized for world mission. We pray for them as they review their systems and processes to identify any that need to be changed - so as to maximise the effectiveness of OM in their mission to see the gospel going out to the 2.5 billion people who do not live within access of a church, or even one Jesus follower.
