## No PM Worship Service

Church Family,

I'm looking forward to the New Year. 2020 was a strange, difficult year. But I'm looking forward to 2021 for more reasons than just that I'm ready for 2020 to be gone. I've got ambition. I'm excited about a few possibilities. I've got some goals in sight. And together we're going to move forward into new, exciting territory. I believe that 2020 has presented churches with a unique, possibly once-in-a-lifetime opportunity to learn and grow. May God give us the blessing of achieving both.

Did you know the month of January is named after the mythological figure Janus? Janus is said to have had two faces, one looking forward and the other looking backward. New Year's is a time where we, like Janus, have the perspective to look back on the year behind and forward to the year ahead. It's a reflective time of year.

For this reason I'll be starting the New Year with a sermon series I'm calling "New Year: New You." It's a perfect occasion to put in place a few godly New Year's resolutions. The series will last three weeks. The first week will be about setting and achieving godly goals. The second week will be about cultivating holy habits. The last week be about maintaining purposeful priorities. I do hope you'll join me for each week of this important series.

One last thing—there's no better time to start a Bible reading plan than at the New Year. If you're a smartphone user I recommend the Bible app. I've used it this year for my personal daily Bible reading. It's been really great. It's got all kinds of free daily devotionals and daily Bible reading plans. Download the app and play around with it for a few days. Before long I bet you'll find a Bible reading plan that's perfect for you.

—Bro. Deek
