SCRIPTURE:

READ: MATTHEW 13:44-46

"THE KINGDOM"

OBSERVATION:

1. The Kingdom of God is wherever God rules; What kind of ruler is God? and since a kingdom looks like it's ruler, what is the Kingdom like?
2. Jesus made it clear that the Kingdom wasn't just some cloud castle in the sky but is here and now. How does having a Kingdom mindset here on earth affect the way we live?
3. Jesus says that the Kingdom of God is worth losing (or giving up) everything for. What makes this such a challenging statement?
4. Both Jesus and John the Baptist made statements like "Repent FOR the Kingdom of God is here". Discuss the link between turning from sin and seeing the Kingdom of God

APPLICATION:

1. Do you hold anything in your life in a way that says "this is more valuable than the Kingdom of God"? Be HONEST.
2. This world offers you your own kingdom, much the way Satan offered a worldly kingdom to Jesus in the desert. Why would you give up a Kingdom of your own for the Kingdom of God?

PRAYER:

Pray for God to show you the value of His Kingdom. Pray out some declarations about who God is and what His Kingdom is like- thank Him. Pray for a passion to see HIS Kingdom advance in and through your life.

REMEMBER:
DON'T ASK "WHAT ARE THESE
VERSES SAYING TO ME"
INSTEAD ASK "WHAT ARE THESE
VERSES REALLY SAYING?"
