PRAYER REQUESTS:

With several in the congregation in quarantine and several others who work in the healthcare field, we share this - Covid-19 is hitting way too close to everyone's home. With a sad heart, but with a strong faith in our Heavenly Father, today I kneel down in prayer, asking for a full recovery for those with Covid-19 and those in pain. Lord I'm asking You to protect & cover each of us with your healing hands and precious blood. Please protect and strengthen our children, the elderly, homeless, unemployed, sick, front liners and caregivers who are exhausted, but not giving up. Please refresh their minds and renew their strength. Prop them up on every leaning side. Thank You for Your grace, love, mercy and healing powers. In Jesus' name, I pray, Amen.

Please be interceding for **John and Linda Pippen.** They are both dealing with Covid. Linda was admitted to the hospital and John will be receiving treatment tomorrow.

Insurance finally came through and Dakota has been approved for a 6 month trial of the Botox micro dosing to treat the pain and migraine headaches the past 3 months he has had post concussions earlier this year. He has an appointment next Wednesday for the first treatment. The goal is to aggressively go after each layer of symptoms with the hopes that starting by alleviating pain will lessen some of the others.
