

Please pray for the children and for Pyoung Shik and our leadership team. This program is different from last year's Camp Spirit in that it is all planned and organized by staff and volunteers from our church. We give thanks for our ministry!

Whatever the season of summer is bringing our way, we can trust that God is with us – in the moments of hilarity and celebration, in times of quiet rest or breathtaking beauty. Especially during the times when we feel alone or afraid. Even when we are struggling with a job or a task. Sometimes God shows up in our lives when we least expect it – always guiding us, inspiring us, comforting us.

So let's pay attention. This summer, let's be on the lookout for the moments or places that God is showing up in our lives. Maybe as you are walking in the cool woods or at a family reunion.

**Collect your summer photos** and send us the ones where you experienced God's presence. We will share the stories and photos during our worship on Sept 9. We deepen our faith when we share our stories of the Holy.

Please send in your photos to the Office  
with a line or two of explanation before **Sept 4<sup>th</sup>**.  
We will be using them during worship on **Sept 9<sup>th</sup>**.
