

## **Gloria Dei Lutheran Church COVID-19 PROTOCOL - OUTBREAK PLAN**

Early detection of COVID-19 symptoms will facilitate the immediate implementation of effective control measures. In addition, the early detection and immediate implementation of enhanced cleaning measures are two (2) of the most important factors in limiting the size and length of an outbreak.

An “outbreak” is two or more cases; a “case” is a single case of COVID-19.

1. If and when a COVID-19 outbreak is reported in relation to an event held at Gloria Dei Lutheran Church (GDLC), any person knowledgeable of the outbreak will notify GDLC Chair at [gloriadei5838@gmail.com](mailto:gloriadei5838@gmail.com) or 778-995-5257. In such a case, the GDLC Council has authority to modify, restrict, postpone or cancel activities in consultation with public health agencies.
2. If a GDLC user group or member of a user group’s household is confirmed of having COVID-19, they are strongly encouraged to contact GDLC council at [gloriadei5838@gmail.com](mailto:gloriadei5838@gmail.com).
3. If GDLC suspects a case of COVID-19, confirms a case of COVID-19 or outbreak of influenza-like-illness, GDLC will immediately report and discuss the suspected outbreak with the Vancouver Coastal Health Authority’s Medical Health Officer (or delegate). GDLC will fully cooperate with the Medical Health Officer directions.
