## Deacon's Corner

**THIS WEEK'S OFFERING: Indigenous Ministries Canada** - The CRC's Indigenous Ministry in Canada seeks to support healing, reconciliation and restored relationships between Indigenous and non-indigenous peoples in Canada. It is rooted in a recognition that our Creator loves individuals of all races.

This ministry supports CRC members and congregations in responding to God's call to live in reconciled relationships as covenant (treaty) people. It provides leadership and support for learning about Indigenous justice and reconciliation and bringing healing and hope, empowering all people to live out the Creator's love in community action.

**NEXT WEEK: RiseUp Society Alberta** - Riseup Society Alberta provides group support, counselling and resources for women impacted by intimate partner abuse. The Society was established in 2007 as an equipping and healing outreach centre responding to the reality of domestic violence and abuse. The society provides education to individuals and community groups about prevention and how to respond to abusive situations.
