

Community Questions: Sunday, Jan 3, 2021, A Prayer for Leadership, Numbers 21:17-18

Our lesson today is about a time when God's people needed fresh leadership for their community.

- Can you think of a time when Balmoral faced a leadership need? What did the church do and how did the Lord provide?
- Can you name some of our Chapel leaders? When did you last thank them for their service?
- Pray regularly for the Chapel's leadership needs.
