Ephesians Study Questions Ch 6:10-24

Share your thoughts on the sermon this Sunday.

Read Ephesians Ch 6:10-24

What does it mean to be strong in the Lord? How do we live that out? In what ways have you battled the devils schemes? How does he attack us?

How is truth a belt that holds all of our armor together? What role does truth play in our faith?

Describe having your feet fitted with the readiness of the gospel of peace. What does this verse mean to you?

Paul describes Gods word as a sword of the Spirit. How is God's word our offensive weapon in spiritual battle? How has Scripture been a strength to you in moments of battle? What verses do you turn to in when you are under attack?

How can we support each other to fearlessly make known the gospel like Paul? What does that look like in our day and age? Do we have faith that God will give us the words to say? Pray for more opportunities to live out and share the gospel.

What lessons and stories from the Ephesians series have stood out to you the most? How did that lesson impact you? What has God challenged you with over this series and how were you able to start living it out?
