

Created For Relationship (Gospel Presentation)
Good News for a Fractured World

As a small group, do your best as a group to fill in the details of each of these five questions. I'll provide some hints. This coming Sunday I'll provide visuals, a gospel through stick men and symbols. Will be FUN!

- **Who is God?** (Trinity...so what? What does this tell us about God's nature?)

- **What are we here for?** (Created by God, and for God, in God's image... so what? What are the implications for us in light of our relationship with God and one another?)

- **What went wrong?** (Tell the Story of Sin and it's consequences: relationally, spiritually, etc.)

- **Who is Jesus?** (Where's the Good News in Jesus being our "God with us", our sacrificial lamb, and our triumphant king? What do each of these titles imply? Add scripture verses that you've learned or memorized)

- **Where does this leave me?** (What is the human response to this Good News? Explain the implications of the word "believe"? What does believe imply?)
