### Missionary/Church Planters of the Week...

**Gary Clatterback, Field Coordinator, Russia**

Gary Clatterback is the field coordinator for Russia, working under the Moscow Theological Seminary and providing teachers, upon request, to ten different Learning Centers across Russia. He continues to work with MTS to plan future ways consultants can serve the developing leaders in all of Russia, though there is some uncertainty concerning a law that passed last summer calling for tighter restrictions on missionaries and evangelism. Pray for the cases working their way through the courts, as well as the hearts and actions of Russia's leaders. Due to the precarious nature of the situation because of the new law, please don't share this anywhere online, including social media. Find out more about Gary's work at [nabonmission.org/missionaries/gary-clatterback](http://nabonmission.org/missionaries/gary-clatterback).

If you've missed a Sunday, view the church bulletin and listen to the sermon on our website: [eastoldsbaptist.ca](http://eastoldsbaptist.ca)
