## EXODUS

FROM SLAVERY TO FREEDOM

Exodus is the gospel in the Old Testament – the story of an oppressed, oppressive and idolatrous world and a God who brings freedom. Though chronicling events from thousands of years ago, the story of the Exodus is as fresh and needed today as ever.

Currently, we are in an extended study on the 10 Commandments – not just as vital moral laws, but as a revelation of the God of Exodus, and the Way of Freedom for all.

This morning we are privileged to hear from Daniel McDougall. Daniel and his wife Sandi work to befriend international students and researchers at UVic. Daniel will be preaching on the ninth commandment: 'You shall not bear false witness.' (Exodus 20:16)

## PRAYER MATTERS

This week, we pray for **Deborah Morris**. Deb is working with **Interserve Canada**, seeking to make Jesus Christ known through wholistic ministry.

Deb says: 'We can see God at work in new and exciting ways! God is allowing a massive movement of over 258 M immigrants and diaspora. This is changing the way missions happen! The direction of missions was historically 'north to south', but now it is 'everywhere to everywhere'. Nations from the south are now sending countries (eg S Korea, Nigeria, India, Brazil, China), and northern minority nations can help by connecting with national churches and supporting national missionaries. This is a very exciting time! Pray for mission development around the world, pray that we are faithful to follow God as he leads this change, and that we will respond with wisdom and care. Let's celebrate the opportunities of global migration!'
