5 TIPS FOR Learning Support

When it comes to learning support, there is no blueprint...
It's ALL about trial & error teaching & learning...

1. FINDING FOCUS & ATTENTION

- Creating a clear space
- Gathering books & supplies
- Preparing snacks & water
- Feeling calm

2. MAKING A PLAN

- Collaborating together
- Setting goals & timeframes
- Giving a lot of choice

3. GETTING STARTED

- Checking for understanding
- Predicting obstacles
- Working towards breaks and fun

4. MAINTAINING MOMENTUM

- Staying on task
- Persevering when fatigue, boredom, or difficulty set in

5. CELEBRATING & REFLECTING

- Highlighting successes
- Discussing where there is room to grow
