Psalm 150: 3-6

Praise him with trumpet sound; praise him with lute and harp!

Praise him with tambourine and dance; praise him with strings and pipe!

Praise him with sounding cymbals; praise him with loud clashing cymbals!

Let everything that has breath praise the Lord!

PRAYER & FASTING

On Saturday January 30th we are calling for a day of prayer and fasting as a church. We want to spend the day praying for the COVID-19 situation, for the lockdowns to end, for unity in our church and much more. We will be sending out material to help you pray and fast throughout the day but there will also be two opportunities that you can join others. We will be doing a **12pm prayer Zoom meeting** and a **7pm livestream prayer time**. Please visit the Events section of our website to register for the Zoom prayer meeting.

Men's Conquer (www.conquerseries.com) will begin a new series on February 17th. Meetings will take place on **Wednesdays from 7-9pm**, in the coffee room. It will run for 10 consecutive weeks and finish on April 21st. Please contact Bill Ffitch or the office for more information.

Prayer Needs

Please join us in praying for the ministry of the week: *Sunrise Radio*

Galcom International has requested prayer for their ministry work in Quebec. Galcom states "The population of Quebec is over 8 million, with less than 1% identifying as evangelical Christians. This officially makes the Quebecois an unreached people group." Galcom has partnered with

Aujourd'hui l'Espoir (Hope Today), who is committed to ensuring all Francophones hear the message of the gospel. Hope Today operates an online French speaking Christian radio and television station. Together, they have received permission from the CRTC to launch a 24-hour a day FM radio station, called Radio Espoir, that will be heard all over Quebec. For more information on Galcom and for ways to support their work, please visit their website at www.galcom.org.

Note: If you have a prayer request/praise item you would like to include in the bulletin, please contact the church office with the details you would like to have shared.

THE SIMFUKWES

The start of a New Year always feels like a fresh start for everything in Zambia. The school year starts in January which means our youth programs have new people and a new start. We just had our church elections for the new year and Lucky and I both have roles to fulfill. Niza should have started his new year of school but due to the rise of COVID-19 cases his school has delayed opening for a few more weeks. We are looking forward to what God has for us in 2021!

Continue to pray with us that we will be an encouragement to everyone we come in contact with. Lucky and I always feel honored when people open up and invite us deeper into their lives and what they are going through. Pray we will have wisdom when to listen and when to speak. We have new plans and ideas for the youth centre, more sports outreaches, competitive football team, camps for different age groups along with our day to day activities. Pray that the youth will find direction in their spiritual lives and in pursuing their future goals. Pray with Lucky and his workers that they will work together in unity and with one purpose.

Thank you so much for your love, support and encouragements. We appreciate you as a church family!

Thanks,
The Simfukwes
