Our Ministries

Servers Ministry

Servers assist the Celebrant with the Holy Eucharist at both the 8:30 am and 10:00 am services. A Server's time commitment is approximately 1-2 times per month. Special services are held at Easter and Christmas that may require extra Servers. The schedule covers a four month period. If you are unable to make your scheduled time, it is up to the scheduled Server to find a replacement. We welcome both adults and children interested in becoming a Server. Training is available. If interested, please contact the Parish office.

Thank you to all our youth who volunteer on Sundays.
Thank you to Joy Kew who coordinated the servers for many years and to Karla Manuel who is our new coordinator.

GROWING UP DIGITAL FOR PARENTS & STUDENTS: Today's teens face a staggering selection of social media outlets that connects them closely to family, peers and people we don't know. We need to be informed and realistic to help them. But what does that look like? On **Sunday, Nov. 24**, St. Paul's is hosting a pair of workshops designed to help students navigate life in the digital age, while equipping parents to help their kids along the way. **Two free workshops will run at the same time, right after the 10 a.m. service. One is just for teens (recommended age 12+ or Grade 6).** One is for parents or any adult who has kids in their life who spend time on the internet. The main goal is to equip everyone to be able to talk with each other about this in a helpful way by providing insight, resources and tangible tips to manoeuvre through today's culture. The workshops will be run by experts from the Community Education arm of the Calgary Pregnancy Care Centre.
