EXODUS

FROM SLAVERY TO FREEDOM

Exodus is the gospel in the Old Testament - the story of an oppressed, oppressive and idolatrous world and a God who brings freedom. Though chronicling events from thousands of years ago, the story of the Exodus is as fresh and needed today as ever.

Currently, we are in an extended study on the 10 Commandments - not just as vital moral laws, but as a revelation of the God of Exodus, and the Way of Freedom for all.

This morning we are looking at the eighth commandment: 'You shall not steal.' (Exodus 20:15)

PRAYER MATTERS

Today we pray for **Kelly Johnson Gahaya** who heads up **Lighthouse Counselling and Training Centre** in Kigali, Rwanda (formerly LiveAgain Rwanda).

We join Kelly in praise for the team God has brought together to engage in this ministry. We also offer thanks for the latest cohort of 22 students in the training program, and the spiritual and emotional transformations underway.

We pray for continued healing for Kelly's lower back pain: for medical intervention and freedom from the severe pain that has kept her from her responsibilities.

We join Kelly and her husband Cello in praise for the gift they received which enabled them to purchase a desperately needed new vehicle.

We also congratulate them and as they celebrate their first wedding anniversary today!
