GORDON HEAD + VICTORIA + THE WORLD

Today, we are leaning into Paul's counsel to "put on" the character of Christ. Reflecting on this, NT Wright comments, "The 'fruit of the Spirit' does not grow automatically. The nine varieties of fruit do not suddenly appear just because someone has believed in Jesus, has prayed for God's Spirit, and has then sat back and waited for 'fruit' to arrive. Oh, there may well be strong and sudden initial signs that fruit is on the way... [But] these are the blossoms; to get the fruit you have to learn to be a gardener."

Would you consider serving with us this summer? Whether you have time for an afternoon or a weekly commitment, we could use help. PRAYER MATTERS

This week please pray with us for **Camp Imadene**, one of our local missions partners. Pray for the staff and volunteers who are now gearing up for this summer's camps, and for the LIT Training and weekend of prayer in the coming days. Many groups have been guests at Imadene in the last 6 weeks, pray that God will continue to work in the nearly 2,000 people who have been there. Pray for this year's summer camps, that all volunteer positions will be filled, and that God will richly bless each camper. Pray for members of our Lambrick family who will be working at the camp or attending as campers.

Also, please pray for the Executive Director, Andy Renton and his wife Jennie-Lynne as they have announced this will be his last summer in Imadene's Executive Director role. We are thankful for their faithful commitment and pray for wisdom as the Board initiates the search process later this Fall. Please pray for a sense of peace and confidence in God's design as they enter this time of transition.
