PRAYER REQUESTS:

Week of 2.1.2021

Update on Lloyd from Wendy: He doing great! They put a cap over his trac so he only has oxygen going to his nose. He's breathing on his own. They drained more liquid from his lungs today and no cloudiness or blood. He did speech therapy today and tomorrow they will do the swallow test. He wants food so bad ..so pray all goes well. Thank you all for your encouragement and kind words.. they have gotten us through this a little easier and all the prayers I don't believe we'd be at this point without them. Praise God for all you wonderful people who love my parents so much.

Bobbi Bowers has asked for prayer for her sister-in-law who had another heart attack on Monday and has a blood clot. There is a real need to intercede for them.

Marlin and Sherry Miller have asked for prayer for Sherry's brother, Andrew. He had his leg amputated below the knee on Monday.

Lorraine Schwartz's friend Susan, who was waiting on a liver transplant and was on life support, went home to Jesus on Sunday morning January 31. Please be in prayer for the family.

Sue Tener was able to have her procedure and have her teeth removed today (Praise the Lord! 3rd time a charm!). She is home recovering and will be through the weekend.

Dorothy Miller and her family are very appreciative of the cards being sent in anticipation of Dorothy's 100th birthday. They have been a real blessing.
