

### Money, Faith & Worship:

Giving has been down significantly throughout the summer. The last few months we've been running a \$2,000 - \$3,000 deficit per month. Another two months like this and we'll be in the RED. See the book-table for the current financial breakdown of our giving over the last year.

### Some things for the church body:

- Insure if you're giving through "Canada Helps" that it's still happening
- Consider changing from using "Canada Helps" to using PAD (automatic debit from your account)
- Consider a regular giving schedule to smooth out the bumps in the road that the church endures. PAD forms are found in Joy Box at the Book Table.
