Part 5 – How can we recognize the voice of God?
God speaks to us, but how can we know what He is saying? In our final message of this series, we unpack 4 key things to help us discern the voice of God speaking to us.

Scripture: Luke 11:9-10, John 14:26, Hebrews 1:1-3

Discussion Questions
1. Have you ever felt like God was speaking to you? Describe what that experience has been, if you've had it.

2. Dave talked about recognizing God's voice through 4 ways: inner promptings, Scripture, experience, and community. Are you more comfortable with some of these than others? Why? Do you struggle with one or more of these areas?

3. Share your experiences in listening to God in these ways with one another. What has been frustrating and what has been enjoyable for you in your prayer life?

4. Read Luke 11:5-13. What does this passage teach us about God and about prayer? What can it teach us if we aren't feeling like our prayer life is meaningful or fruitful? Is there anything else that stands out to you about these verses? What encouragement would you give to those who are struggling to have a consistent and enjoyable prayer life?
