Speaker

Our Easter Camp 2021 speaker is Ben Smart. Ben's passion is to see as many people as possible knowing Jesus on the last day. Towards that end he spent 5 years serving at St Matthews Anglican Church helping to plan a new congregation, before beginning a new role in 2019 working with students to make Jesus known at the University of Western Australia. Ben is married to his Canadian wife Alex, and they have three young children together.
