PRAYER MATTERS

This week we are praying for **A**, who works with Inter-Varsity Christian Fellowship in Asia. Here is an update from A:

- A's school is currently closed, due to the Coronavirus, so A is back in Canada, awaiting the go-ahead to return. There is word that this may happen sometime in March. We pray for A, and for her community in Asia in this season of uncertainty. A says:

1. I would love prayer for (this nation) as they are battling this sickness. That people are not gripped in fear but rather turn to Jesus for peace and anchoring.
2. (Please pray) that I am able to still be ministering to students there, despite being in this weird season of being back home.

If you would like more information about A and her work in Asia, please speak directly with a member of the Missional Engagement Team.
