BACKGROUND

We strive to create a welcoming place of worship to all members of Knox and those visiting.

We support many community groups as well as being an exceptional venue for cultural events for the people of Oceanside.

The Sacred Spaces team works behind the scenes to make Knox United Church a safe and pleasing environment for **ALL**.

Consequently, you are no longer foreigners and strangers, but fellow citizens with God's people and also members of his household, built on the foundation of the apostles and prophets, Christ Jesus himself as the chief cornerstone. In him the whole building is joined together and rises to become a holy temple in the Lord. And in him you too are being built together to become a dwelling in which God lives by his Spirit.

Ephesians 2: 19-22
