

Virtual Choir Software and Tutorial Videos

First decision do you want audio & video or just audio?

There are a large number of audio editors. You can see a list of [49 different products here](#). I have only included in this list software that someone I know is using or Jim mentioned yesterday.

JUST AUDIO

Mixcraft (PC)

Music Makers Premium \$7.99 per month Annually \$95.88

Music Makers Supreme \$11.99 per month Annually \$143.88

Two more levels.

Soundtrap is a “cloud studio” in which participants can work together in different projects. Each singer imports his or her part the Sountrap studio or records it there.
