

Life Group Questions (Haggai 1)

1. Read Zephaniah 1:1-18 together. What stands out to you from this passage? What questions come to mind? What impacted you from the sermon?
2. In Haggai, God had caused dissatisfaction and famine and drought to come upon the people because of their spiritual apathy. Does God still do that today, to wake us up? Have you seen God do that in your own life? In what ways?
3. God tells the people twice in chapter 1: "Consider your ways". What do you think it means to consider your ways? Do you think most of us do this often enough? Or do we get into patterns and routines without thinking about them?
4. In what ways has this Covid-19 season shaken things up in your life? Has it caused you to "consider your ways"? Has God exposed things in your life that weren't right?
5. In Haggai, the people respond by obeying God, fearing him, and repenting (getting to work on the temple). How might we respond in a similar way in our day and age?

Spend some time in prayer together. Pray that God would expose spiritual apathy in your life or areas that you might have misplaced priorities. Ask God for strength as we live through a trying season of life. Pray that God would show us mercy and grace.
