

## **Annual Celebration Service**

*October 28, 2018*

1. Here's why we have our Annual Celebration Service on Sunday morning:

1. We're all here.
2. There's really good childcare!
3. Money talk is ministry talk.
4. If giving is an act of worship then talking about what our giving has accomplished is also an act of worship!
5. More people increases awareness and commitment and responsibility.

2. Meaningful Adult Connections: M13 and W24
3. Leadership Development

5. Missional Halloween:

1. Give out the best candy!
2. Think of the parents: hot cider, pumpkin loaf: inviting hangout for a bit!
3. Hangout with your neighbors – learn their stories – don't hide out all night!
4. Tell the kids you love their costumes and to have a great night: be encouraging!
5. Go out if you're not giving out: go to Halloween parties or events to serve and to get to know people.
6. Pay attention / Stay Holy-Spirit-dependent.
7. Ask the Holy Spirit to open doors for new relationships and gospel conversations.
