

Plant Stand Fundraiser for the Shelbourne Community Kitchen

May 1st - July 1st
3597 Thistle St.

Spring is just around the corner. Again this year, Vivian Skinner is planning to have an informal Plant Stand at the end of her driveway at 3597 Thistle St. as a fundraiser for the Shelbourne Community Kitchen. Last spring, the Plant Stand made over \$3,500 for the Shelbourne Community Kitchen in the two months between May 1st and July 1st. To help Vivian set up the Plant Stand, the following are needed:

- perennials from your garden (labelled)
- seedlings that you have started (labelled)
- plastic pots, ceramic pots, useable tools and fun garden art
- indoor plants
