

MARCH MISSION DRIVE 2021 MISSIONS: God's Passion, Our Purpose Second Sunday Prayer Bulletin Insert

March Mission Drive provides the opportunity to spotlight, celebrate, and intentionally support the work of the Gospel among our global network. As we pray for our Global family throughout this month, may the Lord lead each of us to a place of service and connection in the global task of sharing the whole Gospel to the entire world. Thank you in advance for prayer support and giving to Missions.

Africa

Gospel work continues to grow in Africa. Pray for the work of the Holy Spirit in evangelistic outreach and new church plants, grace and safety for our people among national unrest and uprisings, and for leadership transitions and growth.

Asia, Australia, & Oceania

The ministries in Asia, Australia, and Oceania have continued to grow and thrive. Pray for revival in evangelistic outreach and pandemic relief efforts in the rural villages, jungle areas, and urban centers throughout this region. Pray for ongoing leadership training and development.

Caribbean & Atlantic Ocean Islands

The Caribbean is praising God for a move of the Holy Spirit in their region. Reports celebrate a recent new harvest of souls, celebrations of baptism, and a witness of significant strides adding new members to the church. Pray for this move of the Holy Spirit.

Central America, Mexico, & Spanish-Speaking Caribbean

Pray for the continued evangelistic-discipleship outreach efforts in this region. Pray for the nations hit hardest by hurricanes ETA and IOTA as they continue to recover from the damage to lands, homes, and national infrastructures.

Europe, CIS, & the Middle East

We are grateful to report growth in many regions and ask for prayer for our churches and leaders. Pray that the Holy Spirit speaks into the lives of our nations to open them to the Gospel and anoints our leaders for a great time of harvest in the coming months.

North America

For the past year, pastors have been leading, serving, and walking by faith through the unsettling disruption of the COVID Pandemic. They have led well. Prayer has brought renewed hope, encouragement, and strength by the outstretched hand of our Lord. Thank you for your continued prayers.

South America

We are seeing the love of Christ rise among our people to minister to thousands during this time of great need. We ask that you continue to pray for us as we are depending in the strength of our Lord.
