In the baptism service, you'll be asked to share briefly how you came to accept Christ as your Savior. Be prepared to tell some of the following specifics:

- What was your life like before you knew Jesus in a personal way?
- How did you come to realize that Jesus alone could give you hope, forgive your sins, and turn your life around?
- Who helped you take steps on your journey with Jesus? How did that happen?

Feel free to use the back of this card to write down answers to these questions if it will help you organize your thoughts.
