

For Reflection:

- 1) What do you make of a teacher who expects faithfulness from his students/followers, not only at the level of conduct but also at the level of imagination/longing? Is that reasonable? Doable?
- 2) According to experts, the problem of pornography is rampant in society and the church. Would you agree the standard of Jesus is impossibly high? What should we do?
- 3) Pray for the moral purity of Balmoral - our leaders, our congregation.
