West View's Updated Covid Response

After much discussion and prayer by the ministerial staff and deacons, the following are the updated protocols for West View services.

- Masks are to be worn while in the main level of the sanctuary at all times for adults.
- Masks are not required in the balcony.
- Everyone is asked to keep at least a separation of 6 feet between themselves and others in different households (including sanctuary and lobby).
- We are asking all to refrain from physical contact such as shaking hands.
- Offerings will still be dropped into the little wooden church to minimize contact of passing the plate.
- The Lord's Supper will continue to be done with the prepackaged bread and cup.
- Nursery workers will not be covering the nursery. The nursery is available for any parent who needs to leave the sanctuary. The service is streamed into the room.
