

Prayer prompts for Feb 22-27

Pray that God would reveal to us the sacraments in our life that we unknowingly think are saving us.

- attending the right church
- avoiding certain activities, speakers, authors
- the way we get baptized or take communion

May God grow and strengthen our Faith in Jesus Christ alone.

Thank God for His incredible faithfulness and unconditional love towards us.

That the doctrine of total depravity would take root in our lives and we would begin to see all the ways in which we dehumanize others. May we be transformed by the renewing of our minds so we can treat everyone with value and love.

Ask God to reveal the ways and means to use to make yourself look better than others so you can repent and be restored.
