

St. Michael & All Angels

MEMORIAL EVENSONG

A service to remember those who have died

For those who have had an opportunity to mourn a loved one and for those who never got to say goodbye. This simple service from the Anglican Book of Common Prayer provides a quiet time to give thanks for the lives of all who now rest in the peace of God. Names forwarded to the parish office by September 25th will be read aloud in a roll of remembrance during the service.
