July 18-23 | July 25-30

Juniors is a growing favorite at Lakeside. Grow in your faith, bond with your counselor and other campers, and explore the great outdoors through kayaking, hiking, and campfires, of course! Junior campers have unique opportunities to challenge themselves, build confidence and independence while learning important skills like team building, communication, problem solving, and relying on God.

## WILDERNESS CAMP

July 11-16

Wilderness Camp is a great opportunity for outdoor explorers! Wilderness campers get a little closer to God's creation in a week-long outdoor adventure. Wilderness campers get to cook one meal a day over a campfire, stay in our treehouses each night, and have the opportunity to go tent camping too! Our treehouses (three cabins on stilts) are off the grid without plumbing, with limited electricity, hidden back in the trees and trails of the Monson Woods. It's the perfect place for nature lovers, hikers, and adventure-seekers.

# Completed Grades 6-8

## CONFIRMATION CAMP

June 13-18 | June 20-25 | July 18-23  
July 25-30

Come join us for our most popular camp! Confirmation camp gives confirmation students the opportunity to explore their faith alongside other kids in confirmation, youth directors, and pastors. Pastors and youth leaders have an interactive roll during the week and experience camp alongside the campers while also having their own time to grow in their faith and relax in God's creation. This week allows connections to be made between students and church leaders while also developing faith formation that extends back to confirmation in the church setting.

## NIGHT OWLS CAMP

July 11-16

Staying up late. Sleeping in. Night hikes. Late-night meals. Campfires. S'mores. Stargazing. Midnight movies. What's not to love? Plus, Night Owls still get to join in on the afternoon and evening activities like kayaking, rock climbing, worship, sailing, ziplining, bible study, and swimming!

## WILDERNESS XL CAMP

August 1-6

Have you attended Wilderness camp? Do you love the outdoors? Are you looking for an adventure that's just a little more extreme? Join us for our first summer of Wilderness XL. Wilderness XL takes the adventure of Wilderness Camp to a new level. When you sign up for Wilderness XL, you are signing up for a week of tent-camping, outdoor cooking, fishing, hiking, environmental education, hammocking, and an off-site canoe trip!

## JUNIOR HIGH CAMP

June 13-18 | June 20-25 | July 11-16  
July 18-23 | July 25-30

Junior High Camp gives junior high students the opportunity to enjoy all the excitement and adventures of Lakeside. Junior High campers get to be role models for younger campers while having Lakeside mentors in our staff. This camp is a great way to spend a week of summer! Campers will challenge themselves, learn and grow, have fun, practice team building, communication, and experience the joys of worship, confidence-building, friendship-making, counselor-led bible studies, and faith formation.

# Completed Grades 9-12

## LEADERSHIP CAMP

June 13-18

Formerly known as Wavebreakers, Leadership Camp is an opportunity for high school students to learn about themselves, leadership, working at camp, and God. During the first week of camp, Leadership campers will participate in sessions taken straight from summer staff training, and they will have the opportunity to step up as a leader in worship, group games, and mentor for younger campers. Leadership campers will be presented with a certificate of leadership at the completion of the week. Campers who earn this certificate will be invited back for a second week of camp, not as a camper, but as a volunteer. Volunteers are able to use their newly developed leadership skills to assist counselors and support staff in leading younger campers. This camp is particularly great for high school students who have a passion for camp and/or an interest in working at a camp or with youth once they are old enough. The volunteer week can also count towards service hours for honors programs at school.

## SAILING CAMP

July 18-23

Maybe you had the opportunity to ride a sailboat during a previous week at Lakeside. Maybe you have no sailing experience. Maybe you're an expert sailor. If you have a passion for the water, sailing camp is for you! In addition to all the camp classics, you will spend around 3 hours every day sailing under the direction of our Waterfront Coordinator. Not only will you get to ride a sailboat, you will get hands-on-experience in setting up and putting away sails, feeling the direction of the winds, and ultimately, sailing your own boat!

# Families & Adults

## FAMILY CAMP

June 27-July 2 | July 4-9

Family Camp is a long-lasting tradition at Lakeside. Camp isn't just for kids! Camp is for everyone: moms, dads, grandmas, grandpas, aunts, uncles, cousins, grandbabies, and siblings too! Family Camp is the perfect family vacation, where there is something for everyone: worship, sailing, swimming, ziplining, crafting, and more! Cost varies with housing options, which include our retreat spaces and cabins! See website for more details.

**Continuing Education:** Pastors and their families are encouraged to attend the June 27th week of family camp.

**Adults with Special Needs:** Due to covid-19, we will not be holding Celebration Camp, but we welcome Celebration campers to attend either week of family camp with a legal guardian or caretaker.

# Service Weeks

AVAILABLE ALL WEEKS  
JUNE 13 - AUGUST 6!

Pick a custom project that you're interested in and spend a week at camp. Groups of adults and high school students are invited to the best service week ever! Enjoy comfortable housing, delicious meals, activities, worship, and relaxation. This week will provide not only much needed service to Lakeside, but will build community and connection among your group. We have service projects for all ages and abilities. Can't spend the whole week? That's okay; we can customize your trip to meet your needs. If you are interested or have more questions, please contact [ranger@lutheranlakeside.com](mailto:ranger@lutheranlakeside.com).

# Congregational Day Camps

AVAILABLE ALL WEEKS  
JUNE 14 - AUGUST 12!

Congregational day camp is an opportunity to partner with us and allow us to bring a bit of camp to your local church. Day camp runs similarly to a typical vacation bible school (VBS) program. We provide a minimum of 3 staff members. More staff are provided based on a 1:12 staff to camper ratio. Campers will get to experience Lakeside worship, bible studies, games, and crafts over 4 days of fun at your church! If you have questions or would like to reserve a week, please contact [paige@lutheranlakeside.com](mailto:paige@lutheranlakeside.com).

# Additional Information

# Safety

Safety is a top priority at Lakeside, and we take extra measures to make sure all adults are screened before employment. We have 2 weeks of staff training to make sure everyone is well-trained and prepared to run our camps. We certify staff in CPR, first aid, and lifeguarding. We also have a full-time health coordinator who oversees all medications, special diets, and on-site incidents. Only accredited organizations train our staff to operate the climbing tower, low ropes course, and zip line. It is important to us that every camper is emotionally, physically, and spiritually safe while at camp.

# Considering Covid

The following information is subject to change. Please check back often for updates. Additional and final covid policies will be shared with you after registration/prior to your week of camp.

Covid-19 has become a major part of our safety considerations for this coming summer. Please know that we have done a lot of research and are preparing based on guidelines from the CDC and ACA. Our newest covid policies include, but are not limited to:

- Mask requirements while inside or near other cabin groups.
- Increased cleaning and sanitation of frequently used/touched spaces and items (bathrooms, light switches, etc).
- Minimized group activities - Most activities will be enjoyed by one cabin group at a time.
- Vulnerable people and families are encouraged to remain at home.
- Drive-thru style check-in and check-out.
- Temperature and symptom checks upon arrival and at least daily, and pre-arrival self-monitoring of symptoms.
- Adaptations to how we prep and serve meals, as well as providing different locations for each cabin group to eat.

This is just a glimpse into the changes we are making to keep you, our campers, our staff, and our community safe while providing ministry during an active pandemic. If you have any questions about our newest policies, please contact [paige@lutheranlakeside.com](mailto:paige@lutheranlakeside.com).

# Get Involved!

## SPONSOR A CAMPER

Attending camp has many benefits and provides young people with an opportunity to learn new skills, develop relationships, grow in their faith, build confidence, and challenge themselves. We have many youth, including foster children, who want to attend camp and require financial assistance. Will YOU help send a kid to camp? Contributions from \$1-\$500 will help make it possible for all kids to attend camp!

## VOLUNTEER AT LAKESIDE

We are always looking for volunteers anytime of the year, for any length of time, from any age group! Volunteers can do a variety of things, including help in the kitchen, property projects, or help with camper activities. Visit our website for more information or to sign up!

## WORK AT LAKESIDE

Each summer our campers are guided and mentored by amazing high school and college-aged students. If you know anyone who is a strong leader, loves working with children, and wants to be part of an intentional, welcoming community, send them our way! Working a summer at Lutheran Lakeside can be one of the best summers in a young adult's life. It not only gives them the chance to lead, but it also grows their understanding of faith and community.

Positions available include support staff, on-site counselors, day camp counselors, cooks, media intern, health coordinator, waterfront coordinator, adventure coordinator, and day camp coordinators.
