

Proportionate Giving Worksheet

(for personal use only; do not return with pledge)

This worksheet offers a means of determining one's present percentage level of pledged financial support for the church and establishing a commitment for the coming year. It is not to be returned to the church. It is intended for personal use with prayerful consideration in the privacy of your home.

1. To find your current level of church support, divide your pledge by your net income for the same period.
