

A Different Kind of King

Zechariah 9

Luke 2:52

And Jesus increased in _____ and in _____ and in _____ with God and man.

What happens when you touch a person with leprosy?

Who is Jesus?

How does Jesus win the battle?

What does Zion mean?

What other prophet prophesied Alexander the Great?

How did God use Alexander?

Contrast the Two Kings.

Jesus

Alexander

This Week's Prayer

Father, I thank you for sending a different kind of king. Not one that is like Alexander who only conquers in the moment, but one who conquers perfectly for all time through sacrificing himself.

I pray that the Holy Spirit would passionately let us see Christ greater, deeper, and more complete as the Holy Spirit transforms us to be more like Jesus. Amen.

This Week's Verse

Zechariah 9:17 (ESV)

For how great is his goodness, and how great his beauty! Grain shall make the young men flourish, and new wine the young women.
