

St. Clement's Easter Scavenger Hunt 2021 Spreading the Good News!

Hey everyone! Here are the clues to the places you'll visit to find a little "person." Where are they? Please have your answers and any photos to me by 8pm. Please let me know everyone who is on your team, if it's more than just you. Have fun! peggy@stclementschurch.ca. Call me at 604-619-5576 if you need to!

We hope this symbol holds you fast
It's usually seen not far from a mast – **ST. CLEMENT'S ANCHOR**

The world passes right by his feet
Where these two LV roadways meet – **WALTER DRAYCOTT STATUE**

You have to have a head for heights
If you want to go and see these sights
And if you do, this will point the way
To a lovely place to spend the day. – **LYNN CANYON SIGN AT PETERS AND HOSKINS**

Her legacy is twofold in these parts
She left a dwelling & taught young hearts – **MOLLIE NYE HOUSE**

Going for a walk? It might end here –
good for a coffee, but not for a beer. – **END OF THE LINE GENERAL STORE**

Want to learn dans un autre langue?
Here's a place where you might hang –
But not if you have hit Grade 8,
By then this place would be too late – **ROSS ROAD SCHOOL BUT I WILL ACCEPT L'ECOLE COUSTEAU**

Can you get a good view from here?
I wouldn't have thought that's the case
However, that's the name it bears
And it really is quite a nice place – **VIEWLYNN PARK**

It would have seemed like the end of the road
But it was the start of a new beginning
And now it's the symbol of all we hold dear
And a reminder that love's always winning. **OUTDOOR CROSS @ CHURCH**

Before cars and ebikes came to the valley
There was another means of transportation
And this is where you'd have to go
So it wouldn't suffer dehydration. **HORSE TROUGH BY TD BANK**
