Our Gratitude to Dolly and Debby!

Ah Spring 🌞 Ah Sunshine 🌞 Ah Tax Filing 😫😫 Ah Dolly Forcade 🙏🙏

🙏 Thank you so much, Dolly, for all the work you have done to ensure that we got our offerings statements in a timely fashion.

Taking care of the finances can be a frustrating and thankless job - but we DO thank you!

Did you know that an "Annual Report" is considered to be a work of "grey literature"? Well.. not in the hands of Debby Dorcas!! Thank you so very much, Debby, for pulling all that information together from so many different sources to make St. Andrew's Annual Report a thing of beauty worth reading!!

March 17, 2021 BREAKING NEWS

Over 100 people attended last night's Annual Congregational Meeting on Zoom!

"It was indeed a wonderful showing of vital engagement in our community of faith—God is indeed very active in our midst"

- Rev. Dr. Tim Archibald - Lead Minister, Life & Vision

Sue and Stewart Hall have become grandparents! Adam and his wife Shainna became proud parents of a baby boy on Valentine's Day. Alexander Hall was born at approximately 9:30 p.m. that evening. Here is a photo of Adam and the new baby just after the birth. He has a full head of hair (unlike Adam!) and yes, it has red tones :-)

Auntie Tajali in California must be excited too! In this crazy world of pandemics and chaos, it is beautiful to hear this good news.

The Hall family have played a meaningful role in Growing our Life Together with God. Adam and Tajali grew up in our church and were important Christian leaders during our first decade in this 21st Century. Adam mentored many youth during his time as youth leader at St Andrew's, having a significant role in their faith formation. The friendships that were made and fostered by Adam and Tajali are still bearing fruits today. Their parents supported them and the rest of us in bible study and many hours of healthy fun promoting line dancing.
