REDEFINING THE LAW ~ The Jesus I Never Knew Series

Warm Up

When you were a child, what was one rule you had a hard time keeping?

Read

Matthew 5:17-20; Romans 3:19-23

Main Idea

What can we do?

1. Let the law teach you
2. Dig deeper
3. Let the law examine you

Questions for Discussion

1. How do you think you would react if you were listening to Jesus redefine the law?
2. Paul writes in Romans that we all fall short of God's standard of perfection. What do you see in the Church that indicates we understand this and we don't understand this?

Application

How could Jesus' redefinition of the law be used to talk to someone about their need for Jesus?
