## **PRAYER REQUESTS: 4.18.2021**

**Sara Tener** is asking for prayers for her mother-in-law, **Linda Tener**, who is dealing with severe heartburn. The medication they have her on is not working. She is needing to get into a doctors office to see what the next steps will be.

**Judy Weaver** came thru her knee surgery well. She is undergoing physical therapy in the hospital and how well her knee responds will impact when she comes home from the hospital.

**Sue Tener** will be having a heart cath on Wednesday, April 21. Please be praying in anticipation of the procedure.

Please be praying for **Shaylee Bedward**, Rod Bedward and Deanna Koontz's cousin. Her parents will try to bring her home on hospice care this weekend. Pray that she is able to handle the 9-hour car ride.

Please continue to pray for **Terry Lentz** as he deals with tinnitus. He will be traveling this weekend to see specialists on Monday.

**Update on Lloyd Slagle from Karen:** The physical therapist told Lloyd that it's no longer a matter of "if" he can go home, but "when"! Thanks to the one and only God for all He has done for us.

Please be praying for healing for **Colleen Steele**. She fell off a chair last Saturday and broke her arm. She has very little pain but is dealing with the healing.

**Jason Locke** has asked for prayer as the ulcer on his foot has not healed. Doctors are scheduling an X-ray, and possibly other tests in the future, to help determine why it is not clearing up.

**From Andy and Brigitte Stump:** Thank you all for the Prayers for **Weston (premature child of Grant & Jaclyn Stump)**!! He is growing and responding. He has an eye test this week we are praying for.

Please pray for **Jacqlyn Golden**, she had her tonsils and adenoids removed earlier this week. She came thru great & is recovering.

**A note from FCDC:** Thank you for all you do to serve. You are a blessing!
