Dear Parents of Carson Graham 2021 Graduates,

My name is Julie Walker. I am a parent of a Carson Graham 2021 Graduate. I am writing to ask if you would like to participate in purchasing a "2021 Carson Graham Graduate Lawn Sign" (example below).

Given the lack of celebratory events due to Covid19 restrictions, I thought this would be a great way to show how proud we are of our graduating students!

The cost will range from \$12 - \$14 ea. depending on the quantity ordered. Please [fill out this form](#) by May 1st to let us know how many signs you would like.

Once we know who's interested and how many signs we are ordering, we will give Ms. Oswald at Carson Graham this information and she will add the cost of your sign(s) to your student's School Cash Online account.

We are planning on delivery by June 1st but will email you closer to then with a time and location for pick up (likely outside Carson Graham's main entrance).

FUN FACTS:

- All we need is 20+ signs to get the \$14 price or 40 signs will get us the \$12 price!
- Each sign will be 18" x 24" double-sided and includes a metal "H" stand that can easily be inserted into your lawn.
- Quite a few High Schools on the North Shore participated in this last year and there are already signs up now for this year's graduating class. Let's show our Carson Graham spirit and display as many signs as possible to represent this year's graduating class!

Way to go Class of 2021!!!

The deadline to show interest and order is May 1, 2021. [Fill out this form.](#)
