

BOOK CLUB REPORT -August 15, 2017

Several members of the book club met this fine summer day to present and select books for next year. The group selected books for September 2017 through January 2018. It is hoped that others who are away for this meeting will contribute their ideas for books from February to June of 2018 and do so at the September meeting. The partial list of books and members who will present them follows:

September – *The Cellist of Sarajevo* by Steven Galloway (Brenda)

October – *February* by Lisa Moore (Faye)

November – *Lilac Girl* by Martha Hall Kelly (Chris)

December – *Through Black Spruce* by Joseph Boyden (Colleen)

January – *Madder Carmine* by Tyler Enfield (Susan)

If anyone is interested in any further reading, the following is a list of books that were not chosen:

1984 by George Orwell

The German Girl by Armando Lucas Correa

The Nightingale by Kristin Hannah

Behold the Dreamers by Imbolo Mbue

Please don't forget the next meeting on September 19. Hope to see you all.
