## MARCH NEWSLETTER 2021

Dear Parents,

With the arrival of March, our attention has turned to the topic of Space. We have travelled into space on imaginary rocket ships, learned what colour stars are and talked about planets. We've even learned how to do the "Martian Hop"!! After exploring Space, we'll return to earth and learn about Noah, the ark he built to take care of the animals, and the very first rainbow.

After our long, cold February, Rise & Shine Preschool, is going **green!** Next week we are going to celebrate the colour **green...** we'll also make rainbows, look for gold, and maybe ... just maybe, we'll find a leprechaun! **Wear green on Tuesday & Wednesday, March 16 & 17** for a fun St. Patrick's Day.

Of course, before we break for **Spring Break March 29-April 5**, I'm looking forward to sharing the Easter story with the children. What good news of salvation and new life we have in Christ!

May your homes be filled with hope and blessings this Easter!
