GOD
Help me to Breathe

A Journey of Prayer

"Father, create in me a clean heart and renew a steadfast spirit within me." (Psalm 51:10)

TUESDAY – DAY 24 MARCH 16, 2021

Week 5 – RECEIVE God's Forgiveness

"Forgive us our debts
as we also have forgiven our debtors."

Although we have distaste for this subject and we would rather not go here, an earnest intent in our prayer life indicates that we must give serious attention to evil. The encouraging factor is that this can be a victorious and conquering part of our prayer experience. It is neither inevitable nor acceptable that we are going to be defeated by evil.

"Whoever conceals their sins does not prosper, but the one who confesses and renounces them finds mercy.
