Financial Update

Thanks to designated giving to the Facilities/Loan/Matching, since mid-March almost $10,000 has come in. This can all be matched by the Estate monies, so $20,000 more is being repaid on the personal loans this month. This leaves only $75,000 left to repay!

General giving (for the normal budgeted expenses) continues to be low; now that we are back to in-person services again, hopefully this will increase.

Pentecost Gifts: $1,338.02 of the donations toward "decorating" (stage design) can be matched from the Estate (so at least $2,676.04 towards decorations). Over $1,300 was donated toward kitchen items, over $800 toward tech items, and over $2,000 with no designation. So the total is $5,825 + $1,338 of Estate matching funds for a total of **$7,163** for the Pentecost celebration offering.
